This practical booklet can help you write a compare and contrast essay by showing you the complete process of writing this type of paper. This systematic method will start with your assignment and end with a final proofreading. In between that first and last step, this writing method relies upon templates to help you build a well-organized compare-and-contrast paper. These templates show you exactly what to include in different places within the paper. You will no longer need to guess what to write and where to write it. By using the templates, the various pieces of the paper will work together to create a coherent draft. Follow the steps in order, from the first to the last, and do not skip any along the way. Each step builds on the previous steps. Assignment analysis, table of factors, the table of factors turns into a working outline and topic sentences, and so on. By completing each step before moving on to the next, the next step will be easier. And so will the one after that. This booklet not only helps you write a complete paper, but it shows you a method to apply in any similar paper that relies on the compare-and-contrast model. Working the steps carefully the first time will teach you the method. Then, when you must write another compare-and-contrast essay, use this booklet as a reference to refresh your memory on the steps and templates. The more you use the method, the easier it will be. Table of Contents How to Use This Booklet Step One: Choose Two Topics Step Two: The Table of Factors Step Three: The Working Outline - Checklist: Four Factors to Consider When Choosing an Organization Pattern Step Four: The Thesis Statement - Checklist: Ingredients in a Strong Comp-Con Thesis Statement - Checklist: Eight Things That Can Change Your Grade Step Five: The Introductory Paragraph Step Six: Body Paragraphs - Checklist: How to Test Paragraph Organization and Development Step Seven: The Conclusion Paragraph Step Eight: The Final Draft - First Layer: Revising Out Loud - Second Layer: Sentence Triage - Third Layer: "Find" Searches - Fourth Layer: The Fine Points

Writing for College and Beyond prepares students for their future college classes by covering the strategies common to most college writing. In the process of being prepared for college writing, however, students are also taught chapter by chapter how these writing skills will carry forward into their future professional lives beyond college. One of the least expensive first year writing textbooks on the market, the text isn't inflated with material that most instructors and students won't use, and several exercises encourage students to use either provided web or YouTube links as texts supporting their practice for longer assignments. If you're a first year writing instructor and would like to consider this text for your course, email the author at brightfuturespublishing (at) gmail (dot) com for a desk copy.

Now in a vibrant four-color format, THE SUNDANCE READER, Seventh Edition, features more than 70 concise yet distinct essays drawn from a range of academic disciplines and professions to appeal to students with diverse backgrounds and interests.
